

Faculty Senate Meeting  
April 16, 2008

**The Faculty Senate Meeting will be held in room 162 Mendoza Hall.**

Agenda:

We will meet again tonight at 7pm in 162 Mendoza to vote on our two documents. First is the response to the CROCF report and second our position paper containing recommendations. There will be two motions corresponding to these two documents. The two committees responsible for these reports have met and discussed the comments received at the last meeting and since by email. Judy Fox and Julian Velasco will review the changes that have been made to each since last week. The two documents are attached. The meeting will continue as long as is necessary to bring these motions to a conclusion in order that we might present the outcome to Father Jenkins and Provost Burish this week.

*This meeting will be held in **executive session** meaning that only Senators and Faculty may attend (i.e it is not open to the public or reporters) and no "Public Minutes" will be taken.*
