Memorial Resolution – September 2009

Recognizing that the accomplishments of the faculty of the University of Notre Dame are inextricably linked to the hard work and fellowship of those who have come before us, we the members of the Faculty Senate acknowledge those faculty who have passed away during the last academic year:

Terrence J. Akai, Aerospace and Mechanical Engineering

Alfons J. Beitzinger, Political Science

Joseph Bobik, Philosophy

Charles Craypo, Economics

Gregory L. Curme, Economics

Ernest Ludwig Eliel, Chemistry and Biochemistry

Cecil B. Mast, Mathematics

James S. Phillips, Music

Michael A. Signer, Theology

Robert P. Vecchio, Management

With respect for the contributions each person made to our common life together and with sadness over their passing away, the Faculty Senate offers a moment of silence and prayer and extends its condolences to surviving family and friends.

The Faculty Senate invites any faculty who so desire to submit personal memorial statements on behalf of any of these deceased faculty. Any submitted statements will be posted on the Senate web page.
